COMMENTS

Cumulus Licensing LLC ("Cumulus") hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making (NPRM)*, DA 07-3621, released August 17, 2007. In response to a Petition for Rule Making filed by Cumulus on January 19, 2007, the NPRM proposed the allotment of Channel 272C3 to Humboldt, Nebraska in order to maintain that community's first local service.¹ Cumulus hereby reaffirms its interest in providing a first local service to Humboldt, Nebraska as stated in its Petition for Rule Making.² If this Petition is granted, Cumulus will file an application for Channel 272C3 at Humboldt, and will construct the facility if its application is granted.

¹ Pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, 21 FCC Rcd 14212 (2006), Cumulus contemporaneously filed a Form 301 application for this proposal. *See* BNPH-20070119ACW.

² Cumulus filed the Petition in order to ensure that Humboldt retains local service. Cumulus, the permittee of Channel 244C3 at Humboldt (the "Station"), filed an application to move the Station to Effingham, Kansas as that community's first local service. *See* BMPH-20070119ADF.
